

EASTERN PA RETREADS TRIP TO FLIGHT 93 & QUEECREEK **MINE RESCUE – LEAD BY RICK HORST**

August 20 – 21, 2022

We will be leaving after the Shartlesville breakfast at approximately 9:30 am on Saturday August 20th. We will ride to the Queecreek Mine Rescue Foundation (admission fee: \$7.00 per person, \$6.00 for veterans). We will take two breaks (at Sheetz) on the way and a stop at one of our PA roadside attractions, for those who want to take a picture for the contest. We will not be stopping for lunch, so please plan accordingly. We will continue on to Somerset where we will check into our motel. We can then go as a group to have dinner and see two more of our PA roadside attractions. We will leave Sunday morning and go to the Flight 93 Memorial, allowing approximately 2 1/2 hours there to explore. For those interested you can walk from the visitor center to the memorial plaza and back to the visitor center (approximately 3 miles). On the way out we will stop at the tower of voices. We are hoping to then go to the Flight 93 Memorial Chapel and spend approximately 1/2 hour there. From there we will go for lunch before starting our ride home. Since we are planning a different route home, we will stop at a few more PA roadside attractions, if time permits. Approximate mileage will be 225 - 250 miles per day.

There are currently 12 rooms (2 queen beds) blocked at the Hampton Inn in Somerset. The special group rate is \$130.00 plus tax (total cost \$144.30). They have a hot breakfast in the morning. Coffee & hot water for tea & hot chocolate are available in the lobby at all times. We are able to use the breakfast area to visit and/or play games, in the evening. Please contact the Hampton Inn at 814-445-9161 to reserve your room by August 6, 2022. After that the rooms will be released to the public. Mention you are with the Retreads when making your reservation.

Please RSVP to Darlene Horst at 717-269-5397 by August 6th if you are planning to attend.
