

SWLA RETREAD RALLY, 2017 SEPTEMBER 5 – 10

Our location for the Rally has changed. We are moving it to “A+ Motel & RV Park” in Sulphur Louisiana. A very nice facility in a much better area. In 2016 one of our rally rides was to check it out. Only one pothole. Check out the park, www.a-plusmotel.com.

The dates on this registration are for the pre rally, rally and post rally dates. Tuesday September 5 through Wednesday September 6, are the pre rally dates. Thursday the 7th through the 10th, are the official rally dates. Sunday the 11th will be the post rally date. To make the most of the SWLA Rally, come early in the week and stay the week.

Friendship rides every day, starting on Tuesday September 5, will be guided and self-guided adventures and events for all to enjoy. All will be revealed upon arrival. Our idea is to surprise you instead of telling you ahead of time, as well as surprise us. 😊

Normally we follow “Dutch Treat”. This year due to availability we are running 2 weeks before Russellville. I realize this is an inconvenience for some. I will be looking into options to transition from our rally into Dutch Treat. Maybe do some North Louisiana riding and introduction into our history and beauty. If we can get to Russellville early we will be able to get in more riding as well as helping Bobby and Sandi get set up. I know they will appreciate the help. From North Louisiana to Russellville and around Russellville there are many beautiful sites.
