July 2018

June's breakfast of course was rainy, but that didn't stop 37 Retreads, 4 CMA guests Pastor Nick, Melvin, Patricia and Rob, and 1 adorable little girl named Alice, Rick and Joanne's granddaughter, from enjoying good fellowship, good food, lots of conversations. We did have 3 bikes in the parking lot, as we were to have the Blessing of the Bikes, but it rained again! Pastor Nick did a prayer for all of us inside and at July's breakfast, he and some others will be down to give blessings over the bikes. We thank all the CMA members who have come to our breakfasts to perform the Blessings. So I guess you figured there was no ride that day.

We are asking for lots of sunshine for July's breakfast, after breakfast Augie and Lynn will be leading their ride. It is a scenic ride through Frederick County and Carroll County, ending up at Hoffman's Ice Cream, its about a 2 hour ride, including a restroom stop.

Congratulations go to Patricia (from CMA) for winning the door prize. And the winners of the 50/50 were Gary L. and Gail N. Congratulations to the winners.

## *Dinner Out*

Our Dinner Out for June was held at Annie's Paramount Steak & Seafood on Kent Island. It was a beautiful day, blue skies, lots of sunshine, so 12 Retreads started out on our journey to Annie's for a late

lunch. It was a really nice ride, not a lot of traffic to contend with. The Bay Bridge was flowing nicely and the scenery was beautiful, (that's what they told me because

my eyes were shut!!!) We all enjoyed lunch at Annie's and we headed home, after crossing the bridge some went their separate ways. It was a really great day for a ride. Thanks to all who went, hope everyone enjoyed them-

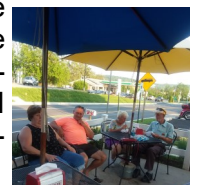

elves. And thanks to Donna for the pictures of the bridge and motorcycles, great job. The next luncheon out will be **June 30th 1pm** at Trickling Springs, in Chambersburg, PA.

### Philadelphia Parking

A businessman walked into a Philadelphia bank and asked for the loan officer. He said he was going to Europe on business for three weeks and needed to borrow \$5,000.00. The loan officer said the bank would need some security for such a loan. The business man then handed over the keys to a Vintage Rolls Royce that was parked on the street in front of the bank. Everything checked out and the loan officer accepted the car as collateral for the loan. An employee then drove the Rolls into the bank's underground garage and parked it there. Two weeks later the businessman returned, repaid the \$5,000.00 and the interest which came to \$92.41. The loan officer said, "We do appreciate your business and this transaction has worked out very nicely, but we are a bit puzzled. While you were away we checked and found that you are a multimillionaire. What puzzles us is why you would bother to borrow \$5,000?" The business man replied: "Where else in the city of Philadelphia can I park my car for 3 weeks for under 100 bucks?"
